PROFILE

I am a passionate and dedicated software engineering student with a solid understanding of software development principles and methodologies. I enjoy tackling complex problems, learning new technologies, and collaborating within diverse teams to create effective and innovative solutions. With a strong commitment to continuous improvement and a keen interest in both technical and practical aspects of software engineering, I am eager to contribute to projects that make a positive impact.

WORK EXPERIENCE

E-Commerce Platform   **Present**

- Developed a dynamic e-commerce platform using Express.js and MongoDB, enabling users to browse products, manage carts, and complete secure purchases.

Tour booking system   **Jan 2025 - Present**   **Group Project**

- Developing a platform that enables users to discover hidden places in Sri Lanka, book local guides, explore nearby attractions, and access accommodation options, enhancing travel experiences with user engagement and reviews. (React, Spring Boot, MySQL)

Hotel Management System   **April- Sep 2024**   **Group Project**

- Developing an integrated customer support feature in a hotel management system, enabling seamless booking, efficient management, and real-time assistance for enhanced user experience. (React, Spring Boot, MongoDB)

Recipe Management System   **June- Oct 2024**   **Group Project**

- Implementing a noticeboard feature in the Recipe Management system to share updates, announcements, and important information with users, enhancing community engagement. (React, Spring Boot, MySQL)

Library Management System   **April- Aug 2023**   **Group Project**

- Developing a secure and user-friendly login system for a library management platform, ensuring seamless access control for users and administrators. (React, Spring Boot, MySQL)

Vehicle Rental System   **June 2022 - September 2022**

- Developing a simple vehicle rental system using HTML and CSS

EDUCATION

BSc (Hons) Software Engineering   **Aug 2022 - Aug 2026**
KIU University

Rahula National School, Godakawela
